NEC Networks & System Integration Corporation

NESIC supports for the recommendations of the Task Force on
Climate-related Financial Disclosures (TCFD)

NEC Networks & System Integration Corporation (Head Office: Bunkyo-ku, Tokyo; President: Yushi Ushijima; Tokyo Stock Exchange: 1973; “NESIC”) has announced to support the recommendations of the TCFD.

Hereafter, NESIC will enhance its information disclosure based on the TCFD framework while strengthening the organization to promote our sustainability activities and accelerate initiatives to realize “an inclusive and sustainable society created through communications.”
